## OBSERVATIONS

ON

## THE EMIGRATION STATISTICS OF IRELAND

FOR THE YEAR 1910.

TO HIS EXCELLENCY JOHN CAMPBELL, EARL OF ABERDEEN, K.T.,

Esq., Esq., Esq.,

LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND.

THE Report, which I now have the honour of submitting for your Excellency's consideration, contains the statistics, in detail, of the Emigration from Ireland for the year 1910. Emigration from Irish Ports

As in previous years, in addition to the detailed Annual Report on Emigration, a monthly return was published, soon after the close of the month, giving the number of emigrants for each month of the year, with comparative figures for the preceding years.

The collection of emigration statistics for Ireland dates from the 1st May, 1851.

During the year 1910, the total number of emigrants from Ireland was 32,923, showing an increase of 3,698 over the number in 1909. Of those who emigrated, 18,118 were males, and 14,810 were females. Of the males, 17,737, and of the females, 14,720 were natives of Ireland, the total number of such emigrants amounting to 32,457, equivalent to a rate of 7.4 per 1,000 of the population of Ireland estimated to the middle of 1910, and showing an increase of 3,751 as compared with 1909.

The text of this Report includes:—

- 1.—A tabular statement of the yearly emigration of natives of Ireland who embarked at Irish ports from the 1st May, 1851.
- 2.—A table showing the emigration, by provinces, for the years 1909 and 1910, with the increases or decreases in 1910.
- 3.—A table showing, by sexes, the number of emigrants (natives of Ireland) from each province and county from the 1st May, 1851, to the 31st December, 1910, with the ratio to the average population of each county.
- 4.—A table showing the number and ages of emigrants from each province, and from all Ireland during 1910, with the proportion per cent. at each age-period.
- 5.—A table showing the destinations of the emigrants during each of the five years, 1906-10.
- 6.—A tabular statement showing the number of steerage passengers to the United States of America, and the number of such passengers who had their passages paid for in America.

The summary portion of the Report consists of 5 detailed tables:—Table 1 shows for each county and province, the numbers, sexes, ages, and conjugal condition of the persons who emigrated from Ireland in the year 1910.—Table 2 shows the ages and occupations of the male and female emigrants who left Ireland in the year 1910.—Table 3 gives information regarding the occupations by certain age-periods of the emigrants who left Ireland for the United States of America in the year 1910.—Table 4 shows the destinations of emigrants (natives of Ireland) from each province and county during the year 1910, and the number of emigrants from each county to every 1,000 of the population, according to the Census of 1901.—Table 5 gives the number of male and female emigrants (natives of Ireland) who left 21 Irish Ports, respectively, during each month of the year 1910.

Number of  
Emigrants,  
1851-1910.

The returns, as collected and published, show that the total number of emigrants—Natives of Ireland—who left Irish ports from the 1st May, 1851 (when the collection of these returns commenced) to the end of December, 1910, amounts, in the aggregate, to 4,187,448, the number of males being 2,175,841, and of females 2,011,607. The number of emigrants for each year, from 1st May, 1851, to the 31st December, 1910, is given in Table I., also the estimated population and the emigration rate per 1,000 for each of the years 1852-1910.

TABLE I.—Showing the Number of Emigrants—NATIVES OF IRELAND—who left the Ports of Ireland in each year, from the 1st of May, 1851,\* to the 31st of December, 1910; also the population estimated to the middle of each year, and the rate per 1,000 of the population in each of the years, 1852-1910.

Year	No. of Emigrants	Estimated Population	Rate per 1,000 of the Estimated Population	Year	No. of Emigrants	Estimated Population	Rate per 1,000 of the Estimated Population	Year	No. of Emigrants	Estimated Population	Rate per 1,000 of the Estimated Population

\* The date at which the collection of these returns commenced.

From the above tabular statement it would appear that the largest number of emigrants for any year of the period 1852-1910 was 190,832 in the year 1852, this number representing a rate of 34.5 per 1,000 of the population of Ireland estimated to the middle of the year; and that the lowest number was 23,295 (or 5.3 per 1,000 of the estimated population) in the year 1908. Between the figures for 1852 and 1908 the six highest numbers were—179,148 in 1853, affording a rate of 27.9 per 1,000; 149,856, or 23.1 per 1,000, in 1854; 117,229 in 1863, with a rate of 20.5 per 1,000; 114,169 in 1864, representing 22.7 per 1,000 of the estimated population; 108,724 in 1883, the rate per 1,000 of the population being 21.3; and 101,497 in 1865, or 19.1 per 1,000 of the population; and the six lowest between the extremes referred to were 28,076 (equivalent to 6.6 per 1,000 of the population) in 1909; 30,676 (equivalent to 7.0 per 1,000 of the population) in 1906; 32,241 in 1898, the rate per 1,000 of the estimated population being 7.1; 32,457 (or 7.4 per 1,000) in 1910; 32,535 (or 7.2 per 1,000) in 1897; and 33,344 in 1906, representing a rate of 8.1 per 1,000 of the estimated population.

The number of emigrants in the year 1910 is below the average for any of the decennial periods for which records are available. In the ten years, 1900-1909, the average was 35,886; in the ten years, 1890-1899, the average number of emigrants was 44,955; in the ten years, 1880-1889, the annual average was 50,491; in the ten years, 1870-1879, the average number was 60,327; and in the ten-yearly period, 1860-1869, it was 35,960. The average for the eight years, 1852 to 1859, was 115,842.

Table II. shows the number of emigrants from Ireland, by provinces, in each of the years 1909 and 1910, according to the sex, with the increase or decrease in the year 1910. When compared with 1909, it appears that there is in Leinster an increase of 201, in Munster an increase of 640, in Ulster an increase of 1,708, and in Connaught of an increase of 1,232 emigrants in 1910.

Of the 32,457 natives of Ireland who left the country last year, 4,258 were from Leinster, or 8.7 per 1,000 of the population of the province in 1901; 8,350, or 7.7 per 1,000, from Munster; 12,271, or 7.8 per 1,000, from Ulster; 7,598, or 11.7 per 1,000, from Connaught; the total number being equal to 7.8 per 1,000 of the population of Ireland according to the Census of 1901.

TABLE II.—Showing the Number of Emigrants from each Province, during 1900 and 1910, and the increase or decrease in the latter year.

In Table III., page 6, the numbers and sexes of the emigrants from each county and province of Ireland from the 1st of May, 1851, to the 31st of December, 1910, are given, and for the purposes of comparison between the several counties and provinces, in Ireland, the percentage of emigrants to the population†, is also given.

Number of Emigrants from each County and Province.

It may be seen from Table III. that during the period mentioned above an aggregate total of 4,286,865 persons emigrated from Irish ports. Of these, 4,187,448 were natives of Ireland, and 48,922 were persons belonging to other countries. The number of natives of Ireland (4,187,448) who emigrated during the period (1851-1910) is equivalent to 78·2 per cent. of the average population†, Munster contributing 1,459,239 persons, being equal to 104·8 per cent. of the average population of the province; Connaught, 701,372, or 84·8 per cent.; Ulster, 1,190,194, or 86·7 per cent.; and Leinster, 725,899, equivalent to 59·8 per cent. of its average population†. The county to which the emigrants belonged was not specified in the returns in 110,789 cases; this information has, however, been obtained in every case since 1876, with the exception of 53 cases in 1889 and 71 in 1903.

† Calculated on an average of the Census Numbers for 1851, 1861, 1871, 1881, 1891 and 1901.

\* Based on the Census Returns of 1851, 1856, 1861, 1871, 1881, 1891, and 1901.

The ages of the emigrants in the year 1910 are shown in 9 periods in Table IV. Therein it appears that 86·9 per cent. of the persons who left Ireland in 1910 were between the ages of fifteen and thirty-five years, the percentage over thirty-five years of age being 6·2, and that of persons under fifteen years 6·9. In 1909 the corresponding percentages for the three age-periods given above, were 86·3, 6·3, and 7·4 respectively, and in 1908 the respective percentages were 81·2, 7·7, and 11·1. The percentage of the emigrants in 1907, who were from fifteen to thirty-five years of age, was 83·9; in 1906, the percentage was 83·1; in 1905, it was 84·1; in 1904, it was 83·8; in 1903, it was 80·9; in 1902, 81·5; in 1901, 80·3; in 1900, 82·3; in 1899, 82·9; in 1898, 82·3; in 1897, 83·0; in 1896, 83·7; in 1895, 84·7; in 1894, 83·1; in 1893, 85·0; in 1892, 83·2; and in 1891, 82·5.

In Table 1, pages 10-11, the numbers, ages, sexes, and conjugal condition of the emigrants from each county of Ireland are given, also corresponding information with respect to persons belonging to other countries, who embarked at Irish ports during the year 1910. The only quinquennial age-period in which the females greatly outnumbered the males is that between fifteen and twenty; at this age-period the number of females was 4,906, and of males 2,214. The quinquennial age-period, 20-25 years, furnished the largest number of both male and female emigrants (7,736 males and 5,667 females)—the emigrants at this age-period forming 40·7 per cent. of the entire number of those who emigrated during the year 1910.

Of the male emigrants in 1910, numbering 12,113, there were 1,440 or 8·0 per cent. described as married men or widowers; and of the 14,810 female emigrants, 1,603 or 10·8 per cent., were returned as married or widowed. Of the 13,403 persons between the ages of 20 and 25 years who emigrated, 285 only were married—91 males and 194 females.

Conjugal  
condition.

The destinations of the emigrants—natives of Ireland—are shown from each county during the year 1910 in the detailed table on page 15. This table shows that 30,361, (or 93·5 per cent. of the total) emigrated to the Colonies or to Foreign Countries, and 2,096, (or 6·5 per cent.) to Great Britain. The United States of America was the destination of 24,905 emigrants, (or 76·7 per cent. of the total number of emigrants—natives of Ireland—in 1910) in comparison with an average of 23,980, (or 75·7 per cent.) for the four preceding years. Emigration to Canada shows an increase of 1,373 in 1910, as compared with 1909, the numbers being 4,416 in 1910, and 3,043 in 1909. The number of emigrants to South Africa in 1910 was 165, as against 148 in the year 1909. The emigrants to Australia numbered 613 in 1910, as against 782 in 1909, 607 in 1908, 365 in 1907, 343 in 1906, 285 in 1905, 336 in 1904, 380 in 1903, 496 in 1902, 595 in 1901, 934 in 1900, 1,008 in 1899, 887 in 1898, 676 in 1897, 545 in 1896, 629 in 1895, 457 in 1894, 511 in 1893, 1,216 in 1892, and 1,321 in 1891.

Destina-  
tions of  
Emigrants.

Emigrants to New Zealand numbered 179 in 1910, as against 272 in 1909. The 83 persons who went to "Other Countries" in the year 1910 include 34 returned as emigrating to France, 25 to South America (21 going to the Argentine Republic, and 4 to Brazil), 7 to India, 3 to Belgium, 3 to Portugal, 2 to Spain, 2 to Germany, 2 to Hong Kong, 2 to Jamaica, 2 to Jersey, and one to Guernsey.

Among the emigrants—natives of Ireland—to the United States in 1910, in number 24,905, there were 7,782 natives of Munster, 7,431 of Connaught, 6,760 of Ulster, and 2,932 of Leinster. Ulster contributed 256 and Leinster 190 of the 813 who left for Australia. Ulster furnished the largest contingent to Canada—3,704 out of a total of 4,416 emigrants.

The number of natives of Ireland who left Ireland during the year 1910, with the intention of settling permanently in Great Britain, was 2,096. Of the total, 1,656 left for England and Wales, and 440 for Scotland, as against 2,097 and 1,269, the respective averages for emigrants to these countries for the four years preceding. Of the number who went to England and Wales during the year, 1,087 or 62.6 per cent. were natives of the province of Ulster, and of the 440 who went to Scotland no less than 315 or 71.6 per cent. were also from Ulster.

For the purposes of this Report an "Emigrant" is defined as "a person who leaves Ireland with the intention of settling permanently elsewhere," and the Enumerators have instructions to make a return of such persons departing in each passenger ship which sails from an Irish port.

TABLE V.—Showing the Destinations of the Emigrants—Natives of Ireland—who left during the years 1906, 1907, 1908, 1909, and 1910; the estimated population in the middle of each of those years; the ratio of Emigrants to the Population; and the Proportion per cent. of the total number of Emigrants who left for each Destination.

Years	To the Colonies and Foreign Countries						To Great Britain.			General Total.	Estimated Population in the middle of each year.	Ratio of Emigrants to every 1,000 of the total.	
	America (United States).	Canada.	South Africa.	Australia.	New Zealand.	Other Countries.	England and Wales.	Scotland.	Total.

1907	76.5	11.0	0.8	0.9	0.4	0.2	89.0	6.0	4.1	10.1	100.	—	—
1908	79.4	10.9	0.4	2.6	0.6	0.5	87.5	5.1	4.4	12.5	100.	—	—
1909	79.0	10.0	0.4	2.7	1.0	0.4	91.2	5.1	5.1	9.6	100.	—	—
1910	76.7	13.6	0.5	1.9	0.6	0.3	95.3	5.1	1.4	6.5	100.	—	—

In Table 4, page 16, the destinations of the emigrants—natives of Ireland—in 1910, the Census populations in 1901, and the ratio of the emigrants to every 1,000 of the population for each county and province, are set forth. From this Table it appears that the highest provincial rate was 11.7 per 1,000 of the population for Connaught; Ulster came next with a rate of 7.8, and the rates for Munster and Leinster were, respectively, 7.7 and 2.7 per 1,000. In the counties, the highest rates were as follows:—Mayo, 14.0; Galway, 12.6; Kerry, 11.8; Leitrim, 11.4; Clare, 11.3; Sligo, 9.6; Longford, 9.5; Donegal, 9.2; Cavan, 8.8; and Down County, and Belfast County Borough, part of, 8.1.

Information is supplied in Table 2, on pages 12-13, concerning the occupations and ages of the emigrants of each sex who left Ireland in 1910. From an examination of this table it will be seen that of the 16,956 males aged 15 years and upwards, 11,161, or 65.8 per cent., were returned as "labourers"; and of the 18,718 females at 15 years and upwards, 10,185, or 74.2 per cent., were returned as "servants."

The number of emigrants who embarked as steerage passengers to the United States was 22,639, and of these 7,263 had their passages paid for in America. Prepaid Passages.

In the following statement a comparison is shown between the figures for 1910 and those for each of the 6 years, 1904-9 :—

Year.	Steerage Passengers to the United States of America	
	Total Number.	Number who had their passages paid for in America.
1904	28,431	10,812
1905	22,361	8,884
1906	25,278	9,530
1907	27,888	8,927
1908	15,373	5,268
1909	20,058	6,314
1910	22,639	7,263

Regarding those emigrants whose passages were paid for in America, and who numbered 7,263 in the year 1910, 482 left in March Quarter, 4,096 in June Quarter, 1,810 in September Quarter, and 875 in December Quarter. Table 8 on page 14 of this Report furnishes information regarding the occupations and ages of emigrants to the United States of America.

I have the honour to be

Your Excellency's faithful servant,

WILLIAM J. THOMPSON,

*Registrar-General.*

GENERAL REGISTER OFFICE,

*Charlemont House, Dublin,*

16th March, 1911.

## DETAILED TABLES.

\* As constituted under the Local Government (Ireland) Act, 1898.

† Of the Emigrants to "Other Countries," 56 were returned as having gone to France, 32 to South America (15 going to the Argentine Republic and 4 to Brazil); 7 to India, 2 to Belgium, 3 to Portugal, 2 to Spain, 4 to Germany, 2 to Hong Kong, 2 to Japan, 2 to Jersey, and one to Germany.

DUBLIN CASTLE,

20th March, 1911.

Sir,

I have to acknowledge the receipt of your letter of the 16th instant, forwarding, for submission to His Excellency the Lord Lieutenant, a copy of the Emigration Statistics of Ireland for the year 1910.

I am,

Sir,

Your obedient Servant,

J. B. DOUGHERTY.

The Registrar-General,  
Charlemont House,  
Rutland Square,  
Dublin.
